We've made it through the worst of winter. Spring is finally here, and it's time to celebrate with the best Philadelphia events in April. Despite its rainy reputation, the month features some of Philly's first outdoor festivals of the season, like the Subaru Cherry Blossom Festival and the kooky Easter Promenade along South Street. April also marks the return of Parks on Tap, the roving beer garden that pops up every week in different Philadelphia parks, and some of the best restaurants in Philadelphia take part in annual charity event Dining Out for Life (make reservations now!). Find details on all that plus a heap of concerts, comedy shows, cool art exhibits and more in our guide to the best Philadelphia events in April below.

## "Collaborative Histories: Dieu Donné"

★★★★☆

Dieu Donné, founded in 1976, is an artist work space in Brooklyn dedicated to promoting contemporary artists who work in the paper-making medium and placing particular focus on experimentation and innovation. This show zeroes in on some of the venue's most extraordinary collaborations with artists including Ursula von Rydingsvard and James Siena.
