Andrea Modica, image from the book, "January 1" (from publisher's website)

Thursday, April 19, 2018, 6–7:30pm

### Book Launch and Reception: Andrea Modica, “January 1”

[The Print Center](#)

[1614 Latimer Street, Philadelphia](#)

FREE and open to the public

*Andrea Modica's photographs investigate social groups like teenagers, minor league baseball players, and now, Mummies. The black and white photos of the Wenches brigade were taken on New Year's Day between 2009-2018 and represent a look at the particular Mummer subculture of crossdressing. Modica's new book, "January 1," compiles the 10-year project into a beautiful, portable and shareable object. See Roberta's June 2012 post on Modica's work with teenage best friends [here](#)*
